The sanctuary can be hired separately or with the church hall below for a wide variety of uses in accordance with our terms and conditions.

The Sanctuary space consists of seating for up to 200 people (130 in the lower sanctuary and 70 in the gallery), with a raised platform at the front measuring 7m x 5m. The choir pews at the front of the church can be removed to create an additional space of 7.2m x 4m, suitable for rehearsals and concerts.

Equipment: excellent performance lighting; an upright piano; a newly restored (2019) three manual organ by Bevington.

The Church Hall

Crown Court Church of Scotland's hall is bright and well-lit flexible space below the church itself. Within the space, there is a sectioned off area with counters which acts as a serving station for tea/coffee, and pre-prepared drinks and nibbles.
